

The following facilities meet the program description to render residential services covered under members' benefit plans. Coverage for these services is subject to the member contract having a benefit for residential services, participation status of the facility related to member contract type as well as a medical necessity review. Additionally, some community residential programs are also included on the list. At the current time, community residential program coverage is only available to Managed Medicaid Care members.

Inclusion on this list reflects prior review of each facility's licensure/certification and residential services, however, it does not in any way communicate an endorsement, recommendation or network participation status for such facilities. Please contact the Behavioral Health Advocate at 1-844- 809-7518 with any questions regarding this residential facilities list.

## **Mental Health Residential Treatment Facilities**

The following facilities meet the program description to render residential services covered under members' benefit plans. Coverage for these services is subject to the member contract having a benefit for residential services, participation status of the facility related to member contract type as well as a medical necessity review. Additionally, some community residential programs are also included on the list. At the current time, community residential program coverage is only available to Managed Medicaid Care members.

Inclusion on this list reflects prior review of each facility's licensure/certification and residential services, however, it does not in any way communicate an endorsement, recommendation or network participation status for such facilities. Please contact the Behavioral Health Advocate at 1-844- 809-7518 with any questions regarding this residential facilities list.
