

EXCELLUS BLUEPPO SIGNATURE COPAY 1

Predictable and straightforward, this plan is like buying a home in new or like-new condition. You have a regular payment, but no unexpected repairs or updates to make. Once you've moved in, you just move ahead with your life. On this plan, you'll rarely have to think about your coverage.

WHAT'S COVERED IN FULL?

Here are some commonly used Preventive Care services* that are covered in full:

- Well-Baby and Well-Child Care
- Adult Annual Physical Examinations
- Adult Immunizations
- Well-Woman Examinations
- Mammograms
- Family Planning and Reproductive Health Services
- Bone Mineral Density Measurements or Testing

DEDUCTIBLES AND YOUR PLAN

Your plan does not include a deductible.

Your copay plan provides predictable out-of-pocket costs for most of your covered health care services. Preventive Care services* are covered in full on the first day your coverage begins. There is no deductible, so for most medical services, you are only responsible for paying a copay.

PRESCRIPTION DRUGS AND YOUR PLAN

You can get a prescription filled at the copay or coinsurance level on the first day your coverage begins.

OTHER THINGS TO KNOW ABOUT YOUR PLAN

How does the money I pay toward my deductible add up (or aggregate)?

This plan does not have a deductible.

How much will I pay out-of-pocket for this plan? And how does it add up (or aggregate)?

- To help limit your out-of-pocket costs, all of our plans have a maximum amount that any one person will pay. This is called an out-of-pocket maximum.
- This amount varies, depending on which plan you have. Log into ExcellusBCBS.com/Member to view your benefits and learn what your amount is.

IMPORTANT TERMS

Copays

A fixed amount you pay each time you use a medical service, like a doctor's visit. For example: If your plan's coverage includes a \$20 copay for a Primary Care Provider (PCP), you pay \$20 for each visit to your PCP and the insurance company pays for the rest.

Coinsurance

Coinsurance is similar to a copay, but instead of a fixed-dollar amount, you pay a percentage of the total bill. For example: You need crutches, and your bill is \$100. If your coinsurance is 15%, that means you pay \$15 and the insurance company pays the remaining \$85.

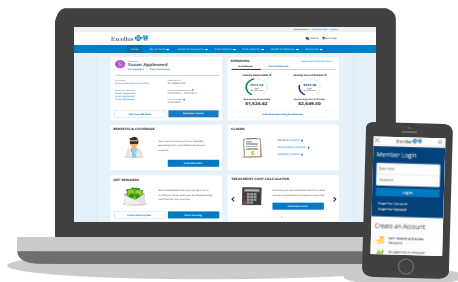

Out-of-Pocket Maximum

An annual limit on the amount of money that you pay for health care services, not including your monthly premiums.
