**2018 SUMMARY OF BENEFITS**  
**January 1, 2018 – December 31, 2018**

**Medicare BlueEssential (PPO) (H3335-053), Medicare BlueClassic (PPO) (H3335-038)**  
**and Medicare BlueSecure (PPO) (H3335-014)**

This is a summary of drug and health services covered by Excellus BlueCross BlueShield.

Excellus BlueCross BlueShield contracts with the Federal Government and is a PPO plan with a Medicare contract. Enrollment in Excellus BlueCross BlueShield depends on contract renewal.

The benefit information provided is a summary of what we cover and what you pay. It does not list every service that we cover or list every limitation or exclusion. To get a complete list of services we cover, please request the “Evidence of Coverage” by calling us at the telephone numbers on the next page.

To join **Medicare BlueEssential (PPO)**, **Medicare BlueClassic (PPO)** and **Medicare BlueSecure (PPO)**, you must be entitled to Medicare Part A, be enrolled in Medicare Part B, and live in our service area. Our service area includes the following counties in New York: Broome, Cayuga, Chemung, Chenango, Cortland, Jefferson, Lewis, Onondaga, Oswego, Schuyler, St. Lawrence, Steuben, Tioga, and Tompkins.

**Medicare BlueEssential (PPO)**, **Medicare BlueClassic (PPO)** and **Medicare BlueSecure (PPO)** have a network of doctors, hospitals, pharmacies, and other providers. If you use the providers in our network, you may pay less for your covered services. But if you want to, you can use providers that are not in our network.

You must generally use network pharmacies to fill your prescriptions for covered Part D drugs.

Out-of-network/non-contracted providers are under no obligation to treat Excellus BlueCross BlueShield members, except in emergency situations. For a decision about whether we will cover an out-of-network service, we encourage you or your provider to ask us for a pre-service organization determination before you receive the service. Please call our Customer Care number or see your Evidence of Coverage for more information, including the cost-sharing that applies to out-of-network services.
